

What are the current challenges  
to achieving a sustainable farming system?

What would the best possible  
food/farming system look like?

BECCLES PUBLIC  
HALL AND THEATRE

12 SEPT 2018

7PM - 10PM

# COMMON GROUND

## ROOTS OF SUSTAINABLE FOOD AND FARMING

A night of discussion – How can we work together and support farmers to enhance the much loved landscape of the Waveney Valley whilst safe guarding our food production and environment now and in the future?
