

The election newsletter of the Green Party in Beccles North - April 2015

Don't forget the LOCAL elections!

There are elections to Waveney District Council on 7 May. There are two vacancies in your ward so you will have two votes and two Councillors will be elected. The two Green Party candidates are:-

Graham Elliott

Graham was elected as a Green Councillor for Beccles in 2007. Throughout his 8 years on the Council he has consistently delivered for his community as a whole and for the individual constituents. Graham is passionate about creating a healthy and active community in Beccles. He lives with his wife Nicky on a smallholding just outside Beccles and has two grown-up children.

Elfrede Brambley-Crawshaw

Elfrede lives in the heart of Beccles with her husband and two children who attend the Albert Pye school. She is passionate about young people and is eager to make sure the interests of Beccles families are well represented and catered for within the community. She enjoys printmaking and sewing in her spare time and currently works as a sewing tutor in Beccles.

Our LOCAL priorities...

- We will be genuine independent voices on Waveney District Council, putting the interests of Beccles first
- We will fight to protect and enhance our public services and community facilities
- We will protect our open spaces, parks and allotments
- We will work to improve children's play areas
- We will work to get better youth provision in the town
- We will seek more affordable housing that is secure and warm
- We will work to make Beccles a safer and more attractive place to walk and cycle
- We will continue to promote local rail and bus services
- We will expand the use of Solar PV panels on roofs of our Council housing stock

Your parliamentary candidate

Graham Elliott has been selected by Waveney Green Party members to be their Parliamentary Candidate for the fourth time

Graham said, *"I relish the chance of challenging the other candidates and holding them, and their parties, to account for their abandonment of any environmental policies they may have had and for the ever growing gap between the rich and poor within our country. All the other parties aspire to a return to the old model of greed and excessive consumption, which is exactly what got us into the current financial, social and environmental crisis. Only the Green Party offer an alternative approach based on a genuinely sustainable and equitable society."*

Graham was elected as a Green Councillor for Beccles on Waveney District Council in 2007.

Throughout his 8 years on the Council, he has consistently delivered for his community as a whole and for his individual constituents. Despite being the only Green councillor his list of achievements is impressive and includes:-

- bringing about an hourly train service on the East Suffolk Railway Line
- saving the local open air swimming pool
- saving the town's Public Hall & Theatre
- restoring Beccles railway station to its former glory
- implementing cycle facilities across the whole district

- achieving a direct bus service between Beccles and the James Paget Hospital

Graham has a track record of delivering his promises while others merely promise delivery!

He is committed to continuing and enhancing this work if elected as MP for Waveney.

Graham's priorities...

- clamping down on tax-avoidance
- bringing the railways back into public ownership
- ensuring every working person receives a "Living Wage"
- making education free and available to all
- removing "The Market" from the NHS
- putting an emphasis on improving quality of life rather than increasing unsustainable, wasteful and unfulfilling consumption

Promoted and published by Peter Eyres on behalf of Waveney Green Party, both at 4 Guntton Cliff, Lowestoft, NR32 4PE

Green Party achievements

A lot has been achieved over the last 8 years with just ONE Green Councillor.

- Beccles Lido SAVED
- Beccles Public Hall SAVED
- Hourly service on East Suffolk railway line
- Direct bus from Beccles to James Paget Hospital
- Beccles station brought back to life
- Beccles Beer Festival established
- Big Dog Ferry back in the water
- Cycle routes implemented

Just think what could be done with more Greens on the Council!

In the last Council election one Green and one Conservative were elected. The second Green candidate missed out by just 57 votes.
