GREENS CAN WIN HERE

The Green Party have announced their candidates for Bungay's two District Council seats up for election on May 4th: **Toby Hammond** and **Anthony Speca**.

Local business owner Toby went to school in Bungay and more recently has been campaigning on issues such as halting the sewage pollution in the river. Toby says *"I believe it's high time for a political change and if elected I'll work hard for the residents of Bungay and outlying villages on the District Council."*

GREENS: INDEPENDENT VOICES ON COUNCIL

TORIES HAVE MONOPOLY CONTROL

Green candidates **Anthony Speca** and **Toby Hammond** have already visited many residents in Bungay and the villages, and heard many concerns about the Conservative-run Council.

Teacher and Bungay resident Anthony said: *"From HGVs ignoring weight limits, to air pollution, dangerous roads, poor local planning, the need for better community services—and more—I'm determined to make Council work better to protect and improve the places here that we call home."*

ANTHONY & TOBY WORK HARD AND GET THINGS DONE.

LITTER IN THE LANES

Litter thrown from car windows blights our beautiful country lanes as fast as residents can pick it up, and it seems to be getting worse.

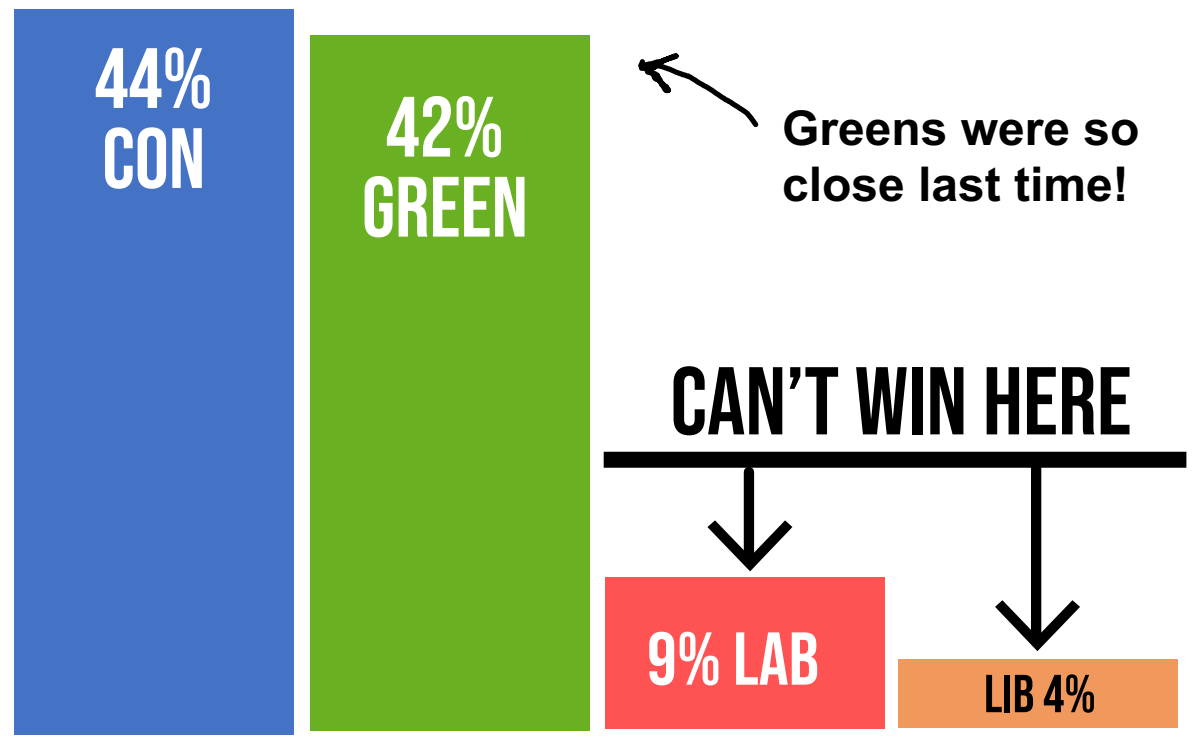

Toby Hammond (pictured right) and **Anthony Speca** are calling for a hard-hitting awareness campaign to fight this anti-social behaviour, supported by drive-through restaurants to show their concern for our communities

DR ANNETTE ABBOTT, ST MICHAEL S.E.

“Green councillors have done amazing things for Beccles over the years, like saving the Lido, the Public Hall and The Locks Inn. It’s high time we elected Anthony and Toby to make a difference in Bungay and the outlying villages too”

OUR PRIORITIES

Here are just some of the things that we want to work on if elected:

- Double targets for affordable housing
- Get our roads repaired
- Tackle anti-social driving & behaviour
- Keep our communities clean
- More rural buses and cycling
- Ensure planning decisions bring benefits to our communities
- WORK HARD FOR RESIDENTS ALL YEAR ROUND!**

CAN WE HELP?

We believe this area is a wonderful place to live. But we'd love to hear your views on what could be improved and how we could best represent you if elected.
